Sensazioni tattili

unica
TARGET GROUP

Volevamo realizzare una collezione che risaltasse la ceramica,
il suo spessore, la sua matericità.
Volevamo realizzare un design semplice, attuale che creasse scenografie
eleganti e sofisticate.
In un gioco equilibrato di lucido e satinato, nasce la serie TOUCH,
proposta in una gamma cromatica di sette tinte
tono in tono e a contrasto, declinata in 2 formati 20x20cm e 60x60cm.
Eleganza, stile e contemporaneità... tutto in un solo TOUCH.

*Our wish was to create a collection which could enhance all the beauty
of ceramics, fortifying and embellishing the richness of the structure. We
wished for a simple and up to date design, which could create fashionable
and sophisticated atmospheres.*

*Our Touch collection, playfully and perfectly balanced between glossy
and matt, is proposed in 7 variants, 3 colours in contrast and 4 colours
tone on tone. The collection develops in 3 patterns, and 2 sizes to choose
from; 20x20cm/8"x8" and 60x60cm/24"x24".
Elegance, style and contemporaneity...all in a single TOUCH.*
